16:43:46 Response: 226 Transfer complete.
16:43:46 Status: Directory listing successful
16:43:53 Status: Disconnected from server
```

This is an example of when using the "Disconnect" command only within FileZilla Client (either by clicking the icon or using disconnect).

Notice, there is no hand-shaking from the server as compared to invoking the "QUIT" command. See Quit command example.
